

COVID-19 Policy

The activity rooms used for projects implemented in Slettestrand are small and the recommended social distance cannot be maintained. Acknowledging the threat of the global pandemic and the challenge of complying with social distances during the activity, the organizers have introduced the following measures that applies to all activities until further notice:

1. Participants coming from abroad should take a test for Covid-19 on the border crossing point. The test is offered free of charge by the Danish authorities. In case the participant is tested positive the participant is obliged to:
 - a) Inform the organizers instantly;
 - b) Undertake self-isolation (location for isolation, food and other necessities will be provided by the organizers).
2. Participants are strongly advised to make a Covid-19 test 48 hours before departure from their country, if possible.
3. Participants must go directly to the activity venue after entering Denmark.
4. Participants must wear a face mask during all travel until the venue.
5. Participants must use hand sanitizer before and after each session, meal and when entering and exiting their apartments.
6. Any activities that involve singing, body contact and handshakes should be avoided.
7. Loud music will not be allowed at any time during the activity.
8. Visits outside the venue will be limited. In case visits are organized, the participants are requested to wear face masks from departure to arrival back to venue.
9. If other groups are at the venue – all socialization with other groups should be avoided.
10. To avoid a bridge between social bubbles, all participants are obliged to eat all meals in the designated area and to be punctual for the mealtime.
11. Participants will notify the organizers if any corona-symptoms occurs during the activity and must commit to undergo testing and undertake self-isolation until a negative test can be provided (location for isolation, food and other necessities will be provided by the organisers).
12. The AV-equipment should only be used by the staff.
13. The participants have no access to the kitchen in the activity room and shall not assist staff in preparing and serving the coffee breaks.
14. On the intercultural evening (if organised) only individual factory packages confectionary and snacks can be shared.
15. Strong alcohol (from 15%) is not allowed at the venue and in the apartments.
16. It is a collective responsibility of all participants that this policy is respected, and the environment is safe.
