TRAINING COURSE

LEADERSHIP SKILLS DEVELOPMENT FOR YOUTH WORKERS

Pervolia, Larnaca, Cyprus 30/03 - 07/04, 2023

Project Summary:

The Project "Leadership Skills Development for Youth Workers" is based on the fact that group leaders from various NGOs are able to increase the quality of Youth Exchanges by finding suitable models of motivating youth to actively participate there and acquire new skills and knowledge.

We will explore and develop our talents and knowledge in the field of leadership. We will seek understanding and journey toward what it means to be a great leader.

This project aims to develop the knowledge and skills of current or future leaders, to become more active in the field of international youth work, while sharing the most accurate knowledge from the work of the best leaders in the world.

We would like to practice how to move from basic management to excellent leadership and how it will affect the lives and motives of the system and people. The project will equip youth workers with innovative and improved ways of working toward their target groups.

OBJECTIVES:

- 1. Leadership What it takes to inspire people and get them to follow us because they want to.
- 2. Teamwork How can we help build teamwork in today's world, where teamwork is becoming more and more important for every organization.
- 3. Connections Let's learn how to build a team based on trust and willingness to cooperate.
- **4. Understanding** What is there to improve and why is it necessary before improving something.
- **5. Change** Living in the rapidly changing world, let's focus on how to accept change, be flexible and benefit from it.

"Leading the youth to a brighter future".

Important:

ALL participants must travel from their home country to Cyprus.

This is the new rule we have from National Agency and ERASMUS+.

We cannot host participants who travel from a different country and not from their home country. You can fly from a different country, but your trip must start from your home country.

As an example, a participant from Romania, can go to Greece by bus or train and take a flight from Greece to Cyprus. However, we need also the bus or train tickets which confirm that the participant started the journey from the (partner) country that comes from.

Note: If you want, you can travel to Cyprus 1 day earlier and/or leave 1 day after the end of the project.

However, you have to cover this extra cost of accommodation and food on your own.

Venue Accommodation - Location

- The participants will be accommodated in the Journalist Village in Pervolia (Larnaca City). It is located right next to the beach and the apartments are fully equipped with a private bathroom, kitchen with fridge, air conditioning, and central Wi-Fi
- The venue consists of small flats with 1 or 2 bedrooms. Each flat can accommodate 3-6 people. At the venue, there is a large activity room, where all the workshops will take place, and a restaurant called Enalia, where all the meals of the day will be served, as well as snacks during the coffee break.

Address: Makarios avenue 9, Journalistic Village, Pervolia 7560 Cyprus

Note that: We can provide the accommodation and food only on the indicated in the invitation dates, any additional days the participants need to take care of on their own.

Traveling to Cyprus

- Larnaca airport is the nearest to the venue. Cyprus has a second airport situated in Paphos, however, transportation between Paphos and the venue is more difficult.
- Note that: Ercan is an airport in the Northern part of Cyprus, which is occupied by Turkey, and it is considered to be an illegal airport, not belonging to the Republic of Cyprus. Therefore, the European Union cannot cover travel expenses between any country and that airport. Therefore, we are asking you to book your flights with the cheapest flights from one of the 2 legal airports in Cyprus (Larnaca and Paphos).

Safety and Health information

It is recommended for all participants to provide their own health insurance.

We do encourage to issue at least European Health Insurance Card (EHIC) or an Additional Travel Insurance. Personal and medical insurance are the responsibility of the individual participant. We will not be responsible for any loss of luggage, currency or personal effects, or any medical costs.
