START GREEN:
BRIDGING YOUTH TO
GREEN CAREERS

6.11. - 14.11.2023.

TRAINING COURSE FOR YOUTH WORKERS

Funded by
the European Union

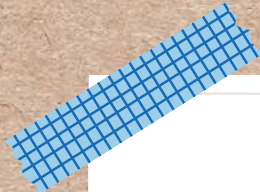

POZITIVASAMOBOR
Udruga za održivi razvoj

ABOUT US

Pozitiva Samobor creates and implements programs aimed at developing the skills of young people and discovering their talents, teaching them how to become active citizens and learn to take responsibility. We want to give young people useful tools that will motivate them to become intellectually and physically more active, thus developing them into 21st century leaders.

ABOUT PROJECT

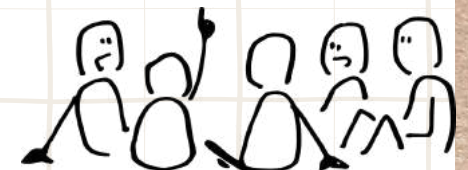

The main aim of this Erasmus+ training course is to equip youth workers and youth leaders with the knowledge, tools, and strategies to facilitate the access of young people to the green labor market by enhancing their entrepreneurial skills, inspiring them to establish their own green startups, and promoting a culture of entrepreneurship among youth.

ABOUT PARTICIPANTS

- Youth workers and youth leaders of partner organizations (and other relevant organizations / stakeholders) with or without previous experience in the field of green entrepreneurship, that can benefit from developing their competences in the activity field;
- Youth workers and youth leaders who can directly implement project outcomes in their everyday work with young people.
- The priority is given to candidates with fewer opportunities and the ones who previously did not take a part in Erasmus+ programme.

VENUE OF THE PROJECT

The Fužinar house is located in the wonderful surroundings of the idyllic Fužine. From beautiful lakes, forests to caves, this region offers countless opportunities for active vacations as well as relaxation in picturesque nature.

Fužine, Croatia

ACCOMODATION

Decorated in a mountain style with a pleasant homely atmosphere and delicious cuisine that adapts to all the needs of its guests.

In our facility, you have twenty-three rooms with eighty beds, from single to six-bed, each with its own shower and toilet. Our seminar room accommodates about 100 people, so our facility is ideal for groups looking for conference work conditions.

In the wonderful idyll of Gorski kotar, Fužinarska kuća is an ideal place for camps and schools. In addition to home-made food and extensive experience in working with children, our facility with a large yard provides safe and homely accommodation for children. A handful of activities are nearby, such as nature walks and lakeside walks, an adrenaline park, the cowboy town of Roswel, a trip to the hot spring cave, a train ride, and in the evening, the organization of a campfire in our yard.

WHAT TO BRING?

- ID / passport
- Personal medication
- European Health Insurance Card
- Own towels, slippers, personal hygiene items, comfortable/warm clothes, shoes and raincoat
- Your positive energy and smile :)

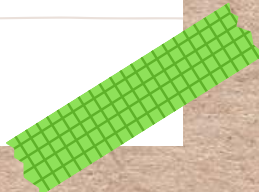

TO DO LIST

Preparation of the cultural night of your country (foods, drinks, games, dances).

Filling the online participant form shared by the coordinator and joining Facebook group.

To bring 1 laptop per national group.

Important note: The participants must accept to disseminate project and it's outcomes after they return their home country.

WEATHER FORECAST

Croatia's average daily temperature in November is 10°C during the day and 4°C at night. The weather can get pretty cool at night, so bring a mix of clothing to accommodate the warm days and cool nights of November.

WHAT TO EXPECT?

- To get knowledge and resources in green and sustainable practices;
- Many possibilities to spend time with kind people from different countries!
- Getting to know each other through games and team-building activities;
- Captivating workshops and activities organised by both us and you - the participants;
- Chance to gain experience in organising thematic workshops for others;
- Intercultural evenings;
- Energising games, fun, and most likely - lots of friends!

WHAT NOT TO EXPECT?

- Organised sightseeing trips with a tour guide - If you want to travel more in Croatia, you can come a few days earlier or leave later. Please note that, in this case, the additional costs will not be funded;
- Workshops organised by professional trainers or teachers (no formal education methods!);
- Luxury accommodation and extraordinary food.
